

Press Release

MIDDLETON, WISCONSIN February 22nd 2026 / Press Newswire - First Call - Proactive Publishing LLC, a vertically integrated Global Publisher located in South Central Wisconsin (USA) announces potential future upcoming Litigation with the Dane County Boys and Girls Club, located in Madison, Wisconsin (USA)

Proactive Publishing was founded in Middleton, Wisconsin in 2003. During that two plus decades of incremental growth and success, Proactive has made a promise to support and assist the future growth and success of not only Middleton, surrounding Madison, and Dane County, but also all the School Districts.

As a taxpayer in the city of Middleton and Dane County, and residing in the same house I built in 1998, and after paying over \$11,000 in annual property taxes last week, the commitment to Middleton and Madison is very visible and personifying by my actions, not by my commentary.

Proactive Publishing reached out to “Big Mike” Johnson from the Dane County Boys and Girls Club on Friday Morning (2/19/2026) seeking information with questions relative to future, very large donations that Proactive wanted to arrange with Big Mike Johnson towards helping the Children in Dane County during the next three months. Unfortunately, Big Mike Johnson allowed his big fat ego to get in the way of our wonderful children and their parents who rely on the Dane County Boys and Girls club for support. However, Big Mike Johnson put His Big Ego in front of the children. Big Mike and his half of million dollar pay package (\$436,000 Per Year) did not put the children of Dane County first; however, he put his ego first and lost this non-profit millions of dollars of future donations from Proactive Publishing. On Friday, 2/19/2026.

This example of misuse of donations is because Big Mike allocate all Friday morning (4.5 hrs.) while on the clock posting my content on the Dane County B&G Facebook page. THIS IS misuse of money as he earns over \$210.00 per hour. I have proof of the time he allocated due to Facebooks time stamps again 4.5 hrs. On Facebook instead of working and earing his \$210.00 per hour. Friday morning, close to \$1,000 was MISUSED by Big Mike Johnson trying to hurt my business, my reputation, my family’s reputation, and the non-profits good name.

The board of directors who approved this compensation package for such a week person and low caliber person is a sign of a collective group of retarded people

In closing, MBA “Big MIKE” Johnson and the entire Dane County Boys and Girls Club Board Members will all receive PM tomorrow a Pre-Filing Demand Letters addressed to each and every one of you, dated Monday, February 23, 2026
