

Press Release

MIDDLETON, WISCONSIN March 12th, 2026 / Press Newswire - First Call - Proactive Publishing LLC, a vertically integrated Global Publisher located in South Central Wisconsin (USA) announces future Federal Discrimination Violations committed by the Middleton School District Leader, Dr. Dana [“Double “D”] Monogue and the entire Middleton School Board listed below

No one should be “Shut Down” and/or not be allowed to speak their mind at a School Board Meeting. School Boards and their members are required by federal law to protect the Freedom of Speech, if not, they lose federal funding. Any school board and/or leaders who violate federal law with intent to stop of the right of this Freedom of Speech in their schools and/or meetings are violating Federal Law.

Case in point. During the months of January and February of 2026. Patrick Franzen requested multiple times to attend a Middleton School Board meeting to speak for four –five minutes relative to his ongoing concern(s). The last request came on Friday, February 20th, 2026 sent via email to Dr. Dana “Real Dumb” Monogue and do nothing Bob Green of Cross Plains, WI. Instead of responding to Mr. Franzen’s request like any normal person would do in that position relative to my request, Dr. Dana “Real Dumb” Monogue called the police on Patrick Franzen because Dr. Dana “Double D” Monogue no longer wanted to receive my emails. I have been denied 7 times and not allowed to speak at the Middleton School Board Meeting.

School District Food Chain:

- 1) Students
2) Parents
3) Schools within the District
4) Taxpayers
5) Teachers
6) Administration
7) School Board (Ranks #7 on the Food Chain List – NOT as important)
8) Superintendent of District (Not important at all if you are incompetent like Dr. Dana “Double D” Monogue has been)

School board meetings are a focal point for any community and often a stage for heated debates on school policies. Taxpayers have the right to speak at school board meetings under a consideration called “limited public forum”. YES, they do and anyone who tries to stop them is breaking federal discrimination laws. The underlying principle states when the board invites public input, it can’t silence someone due to their profession or the viewpoint expressed, provided the comments are within the forums purpose (typically, matters to the school district, and if they do not allow this they are discriminating against these people or parties (42 USC 2000d) (Title VI) (42 USC Prohibition against exclusion form participation) “subject to discrimination in a public school setting funded by federal dollars in any way. (Complaint has been filed with the Office of Communications and Outreach (OCO) Civil Rights Complaint.

Consistently breaking federal law comes nature to the Middleton School Board members and Dr. Dana “Not Smart at all” Monogue.
