MIDDLETON, WISCONSIN March 14th, 2026 / Press Newswire - First Call - Proactive Publishing LLC, a vertically integrated Global Publisher located in South Central Wisconsin (USA) announces continued and alarming issues within the poorly managed Middleton School District Leader, Dr. Dana [“Double “D”] Monogue and the entire Middleton School Board listed below

Dr. Dana “Real Dumb Lady” Monogue ” **needs to be fired NOW.**” The longer this takes, the more exposure of this Obtuse School Board via Press Releases will continue, and into the summer, and into the fall. Proactive Publishing is prepared to go the distance! Is the obtuse MCPASD willing to go the distance with Dr. Dana “Totally Incompetent” Monogue

Let’s go down memory lane on events that took place on Dr. Dana “Double D” Monogue's tenure/career watch as it relates to the obtuse Middleton Cross Plains Area School District in the just the last “**24 months**” under the extreme weak and incompetent leadership of soon to be fired Dr. Dana “Double D” Monogue:

- Patrick Franzen caught Dr. Dana in two huge lies. She lied about two issues: 1) She claimed she followed up with me when in reality, she did not) She lied to protect herself. 2) She lied to the board about me attending a school board meeting on 02/23/2026.
Middleton Cross Plains Area School District is under federal investigation for federal discrimination via (Title VI) 42 U.S.C. 2000d est seq. from the OCR Parents defending Education. U.S. Department of Education Office for Civil Rights opened an investigation into this complaint.
Middleton Cross Plains Area School District sued by prior fired Football Coach, Jason Pertzborn and district employee. Court documents show that school board leaders threaten, lied to him, and pressured him into resigning, and destroyed his reputation towards future employment by firing him unjustly. Court documents also states that the fired coach was denied due process during the investigation. The Middleton Police Department, the Wisconsin Department of Public Instruction and the District’s own Title IX investigation report cleared Jason Pertzborn of any wrongdoing. According to the lawsuit.
MCPASD President Resigns (Shelia Hibner) Ms. Hibner now serves on the Middleton Police Commission
NO comment from the MCPASD relative to Mr. Franzen’s five (5) Press Releases that are featured on line that have already enjoyed over 5,000 views in the last 10 days. Also, Remember nut case “Ellen Lindgren” a very recent Middleton School Board President, this nut case rans TV ads reflecting the people of Middleton in a very bad light.
Dr. Dana “Soon to be fired” Monogue contacted the police on (02/23/2026) to stop a 29 year Middleton home owner and business owner from sending any future email contact to Dr. Dana’s via email (public domain email address). Mr. Franzen tried 7 different times to secure time to speak at a school board meeting as well as other concerns sent via email that went unanswered for years.
Entire Middleton School Board takes cover after being exposed as fakes, with no official response of not being qualified to manage a school district as complex. progressive, and as devise as Middleton. They have an attitude of “fake it until they make it” approach and their many mistakes as an elected official of Middleton are just part of the process.
