

Press Release

MIDDLETON, WISCONSIN February 22nd 2026 / Press Newswire - First Call - Proactive Publishing LLC, a vertically integrated Global Publisher located in South Central Wisconsin (USA) announces an update on the Middleton School District ongoing issues with their current leadership.

Proactive Publishing was founded in Middleton, Wisconsin in 2003. During that two plus decades of incremental growth and success, Proactive has made a promise to support and assist the future growth and success of not only Middleton, but their School District as well. As a taxpayer in the city of Middleton, residing in the same house I built in 1998, and after paying over \$11,000 in annual property taxes last week, the commitment to Middleton is visible. Proactive Publishing as a business located in the city for over two decades also has the right to have issues and complaints answered and not ignored or covered up by Dr. Dana Monogue – Middleton School District’s Superintendent. As a business owner in Middleton for over 20 years, and resident in Middleton close to 30 years, I have the expectation that school board members can return Proactive Publishing’s and my emails relative to important issues that is hurting and affecting the district is a bad way to ensure our future success for the entire school district and the city of Middleton. The Board works for the people of Middleton. We do not work for them.

Case Point: Proactive Publishing contacted then and still, Middleton School District Superintendent, Dr. Dana Monogue in 2021 with a very serious complaint. Dr. Dana Monogue responded that day and confirmed in writing with Proactive Publishing that she would have her AD contact us. Bottom line, we were never contacted, as Proactive Publishing’s complaint, after a full year later, was covered up. Further more, Dr. Dana Monogue lied relative to her vision vs. Proactive Publishing’s version of how she refused to follow up and keep her promise that the AD would reach out the next day. Until, I connected the dots. Dr. Dana Monogue had a daughter who was a senior, who was trying out for the varsity girls’ basketball team, coached by Jeffrey Kind. In my opinion, she put here daughter first over the well-being of her employer, her school, her city in which she had just moved from Milwaukee. Middleton took her and her family in and gave her employment. How does she repay Middleton, by cheating and not doing her job and putting her daughter’s basketball career ahead of everything else with her new employer and all the taxpayers from Middleton who DEMAND fairness in our schools. This type of behavior Dr. Dana Monogue qualifies you for the category of “*Piece of Shit*” yes Vulgar, however, spot on name for you based on your behavior.

The last week, Proactive Publishing, contact this Mr. Robert “Bob” Green, from Cross Plains, Wisconsin who I feel in my opinion has covered up a tremendous amount of bad behavior and school and WIAA policy violation for his very close friend, Jeffrey Kind. Kind, while head coach, had players on his roster who were not eligible to play due to school policy violations, yet, Mr., Kind with the help of the AD made it happen for Liz Norgard, for example, to play and become all-state. Yet another cover up example is when by Mr. Robert Green of Cross Plains, WI allowed an Asst coach who had a bad drinking problem coach. This man, and Kind’s lover was his varsity basketball coach fell over drunk at practice. He had a very bad drinking problem and as everyone knew he had a bad problem, including all the players, as the board members would not cut him loose and replace him because Kind wanted him. Also, one of Kinds player’s and Middleton High School made international news by posting hate speech and hate content on social media that exposed to news outlets around the world, yet, Kind did not remove this player from the team, supported by Mr. Robert Green, Middleton School Board Members and then AD.

In closing, Dr. Dana and the entire Middleton School District will receive PM tomorrow a Pre-Filing Demand Letter Monday, February 23, 2026
