

Press Release

MIDDLETON, WISCONSIN March 2nd, 2026 / Press Newswire - First Call - Proactive Publishing LLC, a vertically integrated Global Publisher located in South Central Wisconsin (USA) announces potential felony criminal charges filed against current Mayor **Emily "Empty Suit" Kuhn**, "Fake it till you make it" Middleton Police Chief **Stevie Johnson** and three other real dumb, uneducated, all tattooed up, untrained, cops, soon to be future Woodman's Baggers with felony convictions from the Middleton Police Department.

On Saturday, 02/28/2026, Dane County Sheriff's office was notified by Proactive Publishing of crimes and felony criminal conspiracy crimes committed in Dane County by an elected official and the Middleton Police Department. Via a Coordinated Criminal Conspiracy against "Proactive Publishing" filed criminal felony complaints against the following city of Middleton employees listed below on the aforementioned date (02/28/2026) with felonies committed against Proactive Publishing Editor n' Chief, Patrick Franzen.

The Middleton Police Department and the Mayor of Middleton, in total collaboration and coordination, using their elected office and police power to violated Proactive Publishing and the Editor n' Chief's constitutional right of free speech with the public Domain. All emails sent to the MPD and Mayor were sent to a publically owned domain email address (i.e. CityofMiddleton.org) thus, it is a public server, not a private domain address, additionally, not one email sent to the two aforementioned parties were threatening in any way, shape of form, period! These aforementioned emails were seeking answers, all with different subject matter, different questions, and different topics. These two aforementioned parties, with the help and support, and coordination of city resources, city police officers on duty, etc., and a force of intimidation, retaliation all in a coordinated effort towards silencing Proactive Publishing and their Editor n' Chief is "**Simple Criminal**" Additionally, the Middleton Police forms filled out by Tattoo Arm Cop Jacobs had "Middleton" spelled wrong on both forms. (ten vs ton) no MPD officer name identified on these two forms which is required, no signature which is required, not a two letter *^. Plus, the warning was not related to what they claimed. Total Fuck Up by Dumb Cops with zero supervision or oversight until now. The form states the follow information requested (Name/Signature – Correct Spelling of City, etc.) all this was missing on the two police warning forms Cop Jacobs (One was presented in person and the other one was mail) Now if the USPS was used to send official Police documents to residence that is later proven to be illegal and the sender knows it is illegal, that is yet another felony. Whenever you use the USPS to commit a crime that in itself is a federal crime.

The Middleton Police department was sent 36 emails directly to Stevie Thompson on his employer server (Cityofmiddleton.org) as all the others emails he was copied on yet, for the 36 emails I sent him seeking his response, he replies to "**ZERO**" of those emails. Also, he lied and told everyone including his staff and team that all the emails were repeating themselves and not viable. Not True as this is a yet another Lie by Middleton Chief of Police, Stevie "fake it until you make it" Thompson... Stevie does not tell the truth. What a "**Piece of Shit**". MPD lie. I caught them in multiple lies that will come out in Court.

Future Potential Convicted Felonies who are current City of Middleton employees and elected.
