“Get Your Career On!”

Dear High School Administrators:

Franzen Media Group is pleased to offer your School District the opportunity to enhance your students career IQ via the most cutting edge, highly intelligent and real world career enhancement platform available today: ***“Get Your Career On!”***

“Get Your Career On!” Career Success Program is a turnkey educational, online career platform that allows the users to learn and process the information, at their speed and ability. Additionally, the (24/7) 120-day access window allows each student the pleasure of not being rushed towards learning the content all at once vs. allowing the students to absorb the career material and how best to implement that new knowledge in their own life and future career via real practices.

Most importantly: All the career material and content has been created by Patrick Franzen. Patrick’s total career body of work is well documented and is also on the site for anyone to review. Patrick brings the career wisdom, career accomplishments, and vast career knowledge that few, if any other retired executive(s) or current executives can bring and/or offer the new generation, and old prior generations seeking to enhance their own careers at any age.

Mechanics of Program: Once the School District agrees to the terms and signs a contract based on time, number of students gaining access, and projected usage, agreements will be made and the process starts as soon as the next day.

- Each Student will receive a specific Code” to use towards gaining access to the Career Platform which contains over 65 career publications, videos, and audios. All of them are listed on the site.
- Each student will use the same code number to gain access every time they log in.
- Each school can elect to incorporate the ***“Get Your Career On!”*** career content into their Career Center.
- All material on the Career Platform will not be able to be copied and/or recorded, and/or transferred in any way. All material and content is US MMXXVI © Copyrighted as All Rights are reserved. Also, the “mark” or Trademark ***“Get Your Career On!”*** is a registered MMXXVI ® Trademark of Franzen Media Group.
- Any misuse or other violation of the agreement highlighted within the contract and misuse of the site by any students, family of the students, and/or faculty will result in termination of the service and contract.
- ***72 Page Career Guide Booklets Available.*** Franzen Media Group has created a 72 Page Guide Book on how to best use the ***“Get Your Career On!”*** Career Success Platform. These 72 Page Colored Booklets can be created to create your school’s team logo on the cover to ensure a more personal commitment from your school district. These can be kept by each student to use for notes and future use towards future employment search or for recording important notes. This publication is an incremental cost to the District, based on number of copies supplied.
