
Press Release

MIDDLETON, WISCONSIN June 17th, 2026 / Press Newswire - First Call - Proactive Publishing LLC, a vertically integrated Global Publisher located in South Central Wisconsin (USA) reveals continued and ongoing “LOW IQ” Behavior by the most overrated and over compensated group of people who call themselves the Middleton Police Department.

On Wednesday, June 10th, of this great 250th year of this country, **Middleton Police Department** arrived at the office of Proactive Publishing that has been operational in Middleton in the same location since 2003.

The MPD cops who arrived unannounced wanted to search the corporate office of a worldwide Franzen Media Group, as Patrick Franzen owns 100% equity in this entity and company and owns the residence they also wanted to search.

The big problem for the Middleton Police Department was that they had no search warrant, they just wanted to search Proactive Publishing’s office and files and search the house in the process without a legal court ordered search warrant signed by a Dane County Judge.

I informed this cop and his midget partner (4 ft. nothing) to leave my property, as I had to repeat this multiple times as they drew attention from passer byes and neighbors. Real special moment. They refuse to leave after my fifth request, and they continue to ask me question, after question, after question. **This was a very sick example how police should “NOT” operate outside the colors of the law.**

Who is to blame for this? Police Commission who has sat on their hands or the MIA rookie mayor in over her head is always MIA. I do not think she can draft an email. These useless morons are just that, useless.

I am now really concern for the good people of Middleton who has to endure this sloppily police work lead by complete low lives and want-to-be’s on other people’s watch and dime.

I will keep you posted as I am sure they are seeking ways to arrest me. Bring it on your asshole cops!! I am ready!!

Keep up the great work MPD, but please **do not kill anyone and cover it up like you’re up brothers in Mad-city.**

Lastly, the mayor is MIA. As usual.
