

Press Release

MIDDLETON, WISCONSIN June 23rd, 2026 / Press Newswire - First Call - Proactive Publishing LLC, a vertically integrated Global Publisher located in South Central Wisconsin (USA) announces ongoing cover-up by the **WIAA (Todd Clark)** along with the Middleton School Board, and **by Dr. Dana "Double D" Monogoue**.

Starting back in 2022, and consistently up to 2/20/2026, with over 100 emails sent and all ignored where deployed to Dr. Dana "Double D" Monogoue (Middleton District Superintendent,) as well as School Board members like Bob Green from Cross Plains who has received over 50 emails from Patrick Franzen over a course of four years as all went unanswered after Patrick Franzen just paid \$12K for his Middleton Property tax bill, and these moron cans not even return my emails over "sex for playing time scam" that happen in real time at the High School on these aforementioned parties watches with zero follow up from them. Please review the prior Press Releases form Proactive Publishing for more detail insight.

Dr. Dana "double D" Monogoue called the Middleton Police on Proactive Publishing and Patrick Franzen for sending her emails asking questions for which time the MPD went to Patrick Franzen house and presented him with a "Stalking Warning" for sending email asking questions" as none and zero of these communication sent by Patrick Franzen were threatening in any way, shape or form, yet, they were seeking answers to some very important question, however, after all this, they refuse respond and/or act.

WIAA Executive, Todd Clark has been contacted five times (2 Phone Calls and 3 Emails) that prior head Basketball Coach Jeff Kind was receiving sexual favors by female parents to secure their daughter(s) roster spot as well incremental playing time for others players who had limited skill levels. This behavior by Kind was covered up by prior School Officers, current School Board members, prior AD's and current AD's. Dr. Dana "Double D" Monogoue had a daughter that secured 93% of all playing time and played more minutes than any other student during her senior year while her mom, Dr. Dana "Double D" Monogoue was the District Superintendent.

I have over 120 emails dating back to 2022 through 2026 seeking answers to this cover up and to have Jeff Kind's Logo removed from the Middleton High School Gym floor.

The aforementioned example is why WIAA is declining at record numbers each year via participation because parents and their children are finally realizing that HS sports ha become so all political and their family has better things to do than waste it on people who cheat and secure sex and then awards playing time. It is sick and it is happening in Middleton Wisconsin. This aforementioned example is also why many parents and their children have elected to not respect the WIAA and local school districts because they allow this type of cheating and behavior to happen that goes unchecked for years because people like the Middleton School Board, Dr. Dana "Double D" Monogoue and others like Steve Thompson, Middleton Chief of Police ignores crimes and only focus on protecting their name an brand image, vs addressing the issues straight up and aggressively.

Additionally, this same school district, and Jeff Kind allowed players who were not legal to participate in Basketball. One player who made all-state selection was caught drinking online and later allowed to practice with the Tennis team for two week to become legal for Basketball that upcoming season (Liz Norgraund 2015) when the She was allowed on the practice squad for a few days to become approved to play basketball for the upcoming season. Middleton needs to return all the WIAA Awards and Championship(s) ripped away from Middleton for having a player who did not meet WIAA rule standards and requirements for team's rosters as it relates to underage drinking.

I hate Cheaters! Again hate Cheaters. And Dr. Dana "Double D" Monogoue and other covered it up for years and through to today. Once again, I hate Cheaters in HS Sports.....Jeff Kind is a cheat who accept sexual favors for playing time and roster spots of players. I addressed that as well with Double D as she just called the cops me and said I was threaten her for answers an she di don't like. She told me to go away and stop asking questions.
