

Press Release

MIDDLETON, WISCONSIN June 17th, 2026 / Press Newswire - First Call - Proactive Publishing LLC, a vertically integrated Global Publisher located in South Central Wisconsin (USA) reveals continued and ongoing “LOW IQ” Behavior by the most overrated and over compensated group of people who call themselves the Middleton Police Department.

Proactive Publishing’s business line received a call today from the MPD. The MPD lady cop with a bad attitude had an issue with me informing the illegally people who were in my back yard and on my property without my approval or permission, as well as feet from Proactive Publishing’s Studio that contained extreme valuables.. Plus, they had dogs from Mexico that they tied up from my tree branches, on my property.

This group of workers took over the side of my house during their day long roofing project of my next door neighbor. Therefore, what I finally did was approach the crew member and informed him that I.C.E. Federal Agents were on their way and they needed to leave or be deported. Within 8 – 10 minutes, they had their truck loaded and they were gone. They had vans with no plated that were league and a few members of the roofing crew had MS13 Gang Tats. This, I was scared became I had no idea who these people were. Also, they were doing drugs that day as I reported to the MPD, with zero follow up.

Fast forward to today, this roofing company from MPLS contacts the people at the Middleton Police Department and informed them I am disrupting their business and harassing their illegal workers who PAY ZERO state and federal taxes. NO work permits or workers bolding on personal property. No workers comp tax or Medicare tax, paid. Net. Net, the roofing company sends people into Middleton to complete work and pays no taxes to the city or state, and then they leave the state with our money and owing our state taxes,

The Middleton Police directed me today not to every stop or approach these illegals workers again if they are working here in WI and Middleton illegally, even if they are in my back yard, smoking weed, with their wild pit bull dogs. I that was what that real dumb girl cop told me today and she did not want to hear anything I had to say, she gave me an order, like in the army solider. I said OK. I also had to ask for ID once again as she did not announce her badge number.

There you have it. How a dumb group of cops in Middleton who defend this roofing company from Fraud USA MPLS over a 30 year Middleton residence, and then continue to look for ways to arrest me with their Bull Shit cease and desist s vs. addressing the issues straight on like a man would do it. Not like an empty suit female cop?

Keep up the great work MPD, but please **do not kill anyone and cover it up like your up brother in Mad-city.**

Lastly, the mayor is MIA. As usual.
