

Press Release

MIDDLETON, WISCONSIN July 2nd, 2026 / Press Newswire - First Call - Proactive Publishing LLC, a vertically integrated Global Publisher located in South Central Wisconsin (USA) announces yet another example how Stevie "Not Ready For Prime Time" Thompson has continue to steal money from his employer (City of Middleton) by not doing the job he is paid to do and his staff to do (24/7) as they "DO NOT" serve and protect the people of Middleton WI via the oath they took when hired.

The city of Middleton Police force has the best of everything. This includes, but not limited to, the highest payrolls in South Central WI. The best police station in South Central Wisconsin. The best equipment and the most modern crime fighting equipment. This even includes \$150,000 Crime Fighting vehicles (Mobil Ramer) I think they are waiting to raid the Franzen house to test out this new equipment.

Issues that Patrick Franzen is still waiting for Chief Thompson to follow up has gone on for 4 months. Last March, I release a press release identifying how many items the MPM still refuses to follow up with me on! Then if you add this list below, it is over 68 items. Yes 68 "Blow offs" when the chief game me his middle finger to all 68 formal complaints. Hummmm., however as of July 2nd, no follow up at all. All I get form the MPD is crickets. I also highlighted below yet more issues with zero follow up form Chief Stevie.

- I) (4 Request-No Follow up) I filed a complaint why the MPP was coming on my property after I sent the Chief and mayor a "Cease & Desist" stating I want no cops on my property. No Response.
- II) (5 Requests-No Follow Up) Filed a complaint that a MS13 Gang member (tattoos on arm identified MS13) was on my property – No Response from MPD.
- III) (5 Requests-No Follow up) Roofing crew was in my back yard smoking weed and had their dogs tied up t my tree branches as one broker of when the pit bulls tried to attract a kid walking by our house.
- IV) (4 Requests – No Follow up) File a complaint the a van with no plate registration from TX was parked outside my home
- V) (4 Requests-No Follow up) File a complaint against Steve Franklin, a low life who wears dirty sandals and dirty feet into my house then verbal threatens me in my upstairs bedroom.
- VI) (16th Request-No Follow up) The MPD cops stole my **1993 Rolex Datejust watch** on 2/25/2026, between 6:25 PM & 7:03 PM (Central Time) as two cops had access to Mr. Franzen house, without a search warrant, unsupervised with no people or family members around the night the \$24K watch went missing. **Means. Motive. Opportunity.**
- VII) (4 Request-No Follow up) Filed a complaint of my next door neighbor (Betty Leathen aka Petty Betty) who threw trash in my backyard, as well as I informed her not to come on my property and bitch at me, yet, she trespass, and I filed a complaint for both of the aforementioned.
- VIII) (3 Request-No Follow Up) I filed a complaint relative to E-motorcycles riding on the Parks conservancy trails and on the streets of Middleton, specifically, Sandhill Drive. These are not e-bikes, these e-motorcycles as they go from 0 – 50 MPH in 9 seconds. No DOT tags either.
- IX) (14 Request-No Follow Up) I have left many voice messages, emails and asked the person answering the phone to have Stevie call me so we can talk. No Response, He is hiding my me.
- X) (7 Request-No Follow up) Investigate and charge Dr. Dana, Matt Jacobs (MPM Cop) and Julie Cardon – MPM Cop) for violating my 1st Amendment right "under the color of law"
- XI) (11 Request-No Follow Up) I have asked Stevie why the MPD cops refuse to ID themselves when they come in contact with people who ask them to ID themselves and they refuse. WHY????
- XII) (3 Request-No Follow up) I reported that just yesterday the MPM cop cars drove by my house three times in a span of 1.6 hours as I cut my grass and watered my flowers out front and each time the cop car slowed down and looked at me for a long period of time.
- XIII) (1 Request-No Follow Up) The lady at MPD hung up on me because I asked her name and she would not supply it, just badge number.
- XIV) (6 Request-No Follow Up) I called the Middleton Cop Shop to speak with the chief last week. When the lady at the cop shop answered the phone, she was so very rudely, I asked her name and badge number. She got mad and only supplied her badge number and no name. So I asked her again, as replied "I do not have to give you my name" Well, the Allstate customer rep I just spoke to give me her name, so why can't this rude bitch do the same as she is a public servant and I think she is married to the detective who use to reside in Northlake. She needs to find another career you bitch. Nothing worse than a female cop with a real bad and dumb (Low IQ) attitude. The SHE HUNG UP ON ME. I emails the chief, NO Reponses
- XV) Much, Much, More as I ran out of room.....
